

HOW DO WE RAISE OUR FUNDS?

Conserving the past, Enriching the future

Our main fund-raising event each year is Ride+Stride in which individuals and groups collect sponsorship to walk, cycle or ride a horse between churches. Over the last 5 years, an average of £85,000 has been raised on this single day in September. 50% of the funds raised is returned by the Trust to the churches being sponsored. The subscriptions from our over 300 Friends, Gift Aid tax relief and very welcome Legacies add to the R+S total. We also aim to keep our expenditure on administration and printing as low as possible so that over 90% of our money can be devoted to Dorset's churches. Please visit our website at www.dhct.org.uk for full details.
